RELIANCE. TRUST. PERFORMANCE.

HIGH-CARBON BRAKE DISCS RA

An exceptionally wide range of products in five areas – brake hydraulics, wearing parts, fluids and accessories – sets HELLA PAGID apart. All our products are notable for their high level of safety, comfort and durability. Almost 100% of existing European vehicles are covered by HELLA PAGID brake pads and discs – a clear indication of our aspiration to achieve perfection and of the quality of our products.

And because safety is paramount in braking systems, we work hard to continually update our range of products, anticipating technological developments well in advance.
